

Samples of Agreement to Mediate Language –

Signaling to parties/counsel present in mediation that social media/texting during mediation is inappropriate.

Keeping in mind that mediation is a confidential process, use of social media and/or texting during the mediation session will not be allowed. If you need an exception made for business or emergency purposes, please be transparent with the mediator for such an exception to be noted/granted.

OR

It is the policy of this mediator to not allow social media use/posting (such as Facebook, Instagram, Twitter, etc.) during mediation sessions. Please abide by this policy during this mediation, in order to keep the session and its contents confidential.

OR

Mediation is confidential and not to be recorded. Use of your cellular or electronic devices to do so is prohibited. Social media use and texting during mediation about the contents of this session is also prohibited.
